

## **Specialist Anaesthetist Paediatric and Ambulatory Anaesthesia Auckland District Health Board**

Auckland District Health Board (ADHB) is seeking applications from anaesthetists with an interest in paediatric and ambulatory anaesthesia (adult and paediatric practice.) The position is based at two sites, Starship Children's Health and Short Stay Surgical Unit, and will be a combined position. Due to the involvement with tertiary paediatric anaesthesia, candidates are required to have undertaken a minimum of one year fellowship in Paediatric Anaesthesia in addition to their basic anaesthetic training. It is anticipated that the successful candidate will have on call responsibilities for Paediatric Anaesthesia at Starship Children's hospital. Details of the individual components of the job are below.

### **Short Stay Surgical Unit (SSSU)**

The SSSU has 5 operating theatres at the Greenlane Clinical Centre, an ambulatory facility at Greenlane for outpatient clinics and elective surgery. Expansion is planned and by end-2011 there may be 11 operating rooms, and overnight beds. Anaesthesia is currently provided for adult and paediatric patients from various specialties, including Oral Health (dental and oral surgery), Ophthalmology, Otorhinolaryngology (ORL), Urology (including lithotripsy), General Surgery, & Gynaecology. It is expected that after expansion services will be provided to other specialties such as Orthopaedics. For more information, please contact Dr Judy Bent, Clinical Director of SSSU at [judyb@adhb.govt.nz](mailto:judyb@adhb.govt.nz).

### **Paediatric Anaesthesia, Starship Children's Hospital**

Starship Children's Hospital is a tertiary referral centre for paediatric surgical services and related activities. The department of Paediatric Anaesthesia currently undertakes 10,000 cases per year, managed through 6 operating rooms and a variety of non-OR sites. The successful applicant will be involved in the provision of anaesthetic care for a variety of surgical disciplines in children (excluding paediatric cardiac surgery), plus a wide range of procedures requiring anaesthesia outside the operating rooms. For more information, please contact Dr. Niall Wilton, Clinical Director of Anaesthesia & Operating Rooms, Starship Children's Hospital on [NiallW@adhb.govt.nz](mailto:NiallW@adhb.govt.nz)

You must be eligible for vocational registration with the Medical Council of New Zealand [www.mcnz.org.nz](http://www.mcnz.org.nz)
