

Palliative Care Physician/Specialist

Palliative Care Department - Auckland City Hospital

Auckland District Health Board

New Zealand

The Hospital Palliative Care Team is offering two vacancies for Palliative Medicine Physicians/Specialists:

- A full time permanent position
- 1 year full time locum position

These full time posts are clinical positions working throughout the hospital in all adult medical and surgical services, providing consultative patient-focussed specialist palliative care in conjunction with the multi-disciplinary team.

Auckland City Hospital is a large tertiary institution and is a teaching hospital of the University of Auckland School of Medical and Health Sciences with active undergraduate and graduate programs. This is an opportunity to work in an expanding hospital palliative care team that includes Nurse Specialists, a Nurse Practitioner, Advanced Trainees, rotating registrars and LCP facilitators.

Ideally, you should have an interest in teaching and research. You will require FACHPM qualification or equivalent and must be eligible for vocational registration with the New Zealand Medical Council. A sense of fun and love of dark chocolate are not disadvantages.

In addition, the natural beauty of Auckland and New Zealand offer you a wide range of lifestyle opportunities including sailing on the Auckland Harbour; easy access to many beaches, the New Zealand native bush and snow covered mountains.

ADHB is an accredited employer with NZ Immigration service so we can help with your immigration requirements and can also provide relocation assistance.
