## Career Planning Form

For completion by Resident Doctors as and when required and / or when updating their career design

**Name of Doctor:**

**Date:**

### **Current career expectations**

(This may include no decision, what a resident doctor may be thinking of, time out through to a formal – I am a SET 3 General Surgical trainee)

### **Assistance requested in determining a career / pursuing that career** (including timeframes and dates where appropriate):

1. **Run requests and timing of such.** This may take the form of specific runs e.g. “John Ford’s Respiratory run at Mars General Hospital”, or more general such as “a GP run”.
2. **Other clinical experience requested** (e.g. time in colonoscopy clinic).
3. **Intended study,** (courses and other assistance in gaining clinical knowledge and experience.)
4. **Other relevant information**
